Memo No. 1747-49
Dated, Panchkula, the 11th June, 2015

Subject: Implementation of the ongoing scheme of 100% treatment of certified seed of wheat during Rabi Season 2015-16- regarding.

The State Government has decided to continue the ongoing scheme of 100% treatment of certified seed of wheat with Generic Fungicide Tebuconazole 2% DS during the Rabi Season 2015-16. The Government has decided that purchase of Fungicide should be by Generic name and not by Brand. The Government has also decided that the subsidy at the rate of 80% of the cost of fungicide will be admissible under the scheme and the balance 20% cost will be borne by the farmers of the State.
